Glossary	xi
Abbreviations	xv
MAIN FINDINGS	1
SUMMARY	11
PART I. BACKGROUND	
1. Framework	41
1 Origins	41
2 General objective and research questions	41
3 Data collection and organization of the report	42
4 Scope and limitations of the study	43
5 Analytical approach	44
2. Somalia: The country and the emergency	49
1 Introduction	49
2 Population	51
3 Economy	55
4 History	57
5 Development of the emergency	60
6 The deepening crisis in 1992 and the international response	62
7 Developments in 1993	67
3. The Netherlands' humanitarian aid - The case of Somalia	71
1 Introduction	71
2 Netherlands policy	71
3 Netherlands humanitarian emergency aid	74
4 Emergency aid (category Ie)	75
5 Channels	77
6 Organization and procedures	78
(End p v)	
7 Staffing	80
8 Allocations	81
9 Organizations providing relief	81
10 Types of intervention	82
11 Procedures from identification to rapportage	85
4. The context of aid delivery	93
1 The complexity of Somalia's emergency	93
2 Humanitarian assistance in Somalia	93
3 Delivery - communications and transport	94
4 Delivery - other institutional problems	95
5 Delivery - the economy	96
6 Local structures and the aid community	97
7 Aid community - agencies	99

8	Aid community - information and coordination	102
9	Aid community - donor meetings	104
10	The Somali contribution	104
11	UNOSOM	105
12	The role of the media	106
13	Final remarks	106

PART II. CASE-STUDIES

5.	Lutheran World Federation's airlift	111
1	Introduction	111
2	Evaluation methodology	112
3	Project organization	112
4	The planning, management and funding	115
5	Assessment	120
6	Design and execution	122
7	Conclusions	127
6.	The International Committee of the Red Cross	129
1	Introduction	129
2	Methodology	130
3	ICRC: organization, procedures and approach	132
4	The ICRC intervention	134
5	ICRC in Somalia	137
6	Specific case-studies	148
7	Discussion	161
8	Lessons from Somalia	171
	(End p vi)	
7.	The use of King's Recovery Food in Concern's feeding centres in Somalia	181
1	Introduction	181
2	Concern in Somalia	182
3	The Netherlands' involvement and the question of KRF	186
4	King's Recovery Food	188
5	Implementation of the Concern programme	192
6	Monitoring, reporting and evaluation	194
7	Conclusion	195
8.	The emergency programme of Medecins sans Frontieres	197
1	Introduction	197
2	Scope of the evaluation and methodology	198
3	Project description	198
4	Project realization	201
5	Discussion	208
6	Conclusion	212
9.	UNICEF rehabilitation projects	215
1	Introduction	215
2	Scope of the evaluation and evaluation methodology	216

3 Agricultural Rehabilitation Project in the Lower Juba	217
4 Oasis Agricultural Rehabilitation Project, north-east Somalia	231
5 Comparing the projects	240
10. UNHCR—The Cross Border and Cross Mandate Operation	243
1 Introduction	243
2 Evaluation methodology	244
3 UNHCR: mandate	248
4 UNHCR: organization, procedure and approach	250
5 UNHCR's programme approach to Somalia	251
6 The Special Emergency Programme for the Horn of Africa	255
7 The Cross Border Operation in Somalia	261
8 The Cross Border field office—the example of Lugh	264
9 Quick Impact Projects (QIPs)	265
10 Groups of QIPs	269
11 QIP programme results	277
12 UNHCR and the management of disaster	281
